ABOUT US

Foshan Kings Medical Technology Co., Ltd. is a joint venture company committed to providing customers with reliable medical and health products and solutions. The company has a professional and experienced team dedicated to delivering high-quality products and services to the global healthcare industry.

Our own factory, Foshan City Guangtai Medical Equipment Technology Co., Ltd., has passed ISO13485, ISO9001, CE, MDMA and other quality management system certifications. We primarily focus on the research and development (R&D) and sales of medical equipment and health aids. Our products include canes, crutches, walkers, rollators, bath chairs, commode chairs, wheelchairs, etc., and we offer one-stop solutions along with other rehabilitation care and medical products.

Adhering to the core values of integrity, professionalism, and quality service, our company will continue to strengthen innovation in the future, improve its own products and services, and become a respected medical device enterprise.
