Each element that surrounds us contributes to build our reality. That's the authentic existence, the existence that defines who you are. PATE lets you express character and emotion through your bathroom. The only closet with bacteriological protection and available in exclusive textures. Live the authentic life, live your life with PATE.

TIM ELESS
DESIGN

sanitary ware

Of 20th century were originated from Europe with a luxury style, and swept the world. The simple water-saving sanitary ware of 21st century rose from the orient, and were accepted quickly all over the world. Even the modern noble design is characterized by the simplicity.

The pure, fresh and natural texture of floor tile fits the sanitary ware perfectly and builds the eternity spatial art, which is comfortable, fashion, luxury and full of personality.

The compact style, excellent character and the careful process give an expression to beauty and tact, which shows our attitude to a more natural, cleaner, and fresher way of life.

Each element that surrounds us contributes to build our reality. That's the authentic existence, the existence that defines who you are. PATE lets you express character and emotion through your bathroom. The only closet with bacteriological protection and available in exclusive textures. Live the authentic life, live your life with PATE.

Looking around, it's elegant and beautiful. Elegance is a kind of altitude and beauty is a kind of temperament. The beautiful color and the elegant texture condensed the natural essence and bright the intelligence of space. Meanwhile, those two elements contribute to the unrivalled charisma of it.

Every element is a highlight in itself

Together with the tonal contrast the light and shade variation of space draws the outline of the conflict between traditional and modern, launting a scroll pairing of sanitary life,using a unique way to explain its unique understanding of sanitary life.

Basins

Everything should follow nature as well as be people-oriented. This ensures the balance between nature and people. People are the masters of space and space design differs from person to person. Decorative designers have added a new window for architecture, a life extension of buildings. A good quality of life is free and comfortable. The feelings that come from nature and fashion comes from the designers' creation.

Pure and thoughtful designs come with environmental friendly materials.All designs are for building up the mutual understanding between users and nature.Change has made humans progress and creativity has made our dreams come true.Keep progressing and creating to live out the dream.Every achievement of a good life comes from the pursuit of perfection.

Endless creativity has been brought into the development of sanitary wares and offer a variety of selections to meet the needs of different bathroom design. Beautiful mornings starts with sharing good moments with loved ones in the bathroom.

The ideal arrangement of medium sized basin semi circular corner and the counter infuse a great sense of coordination.

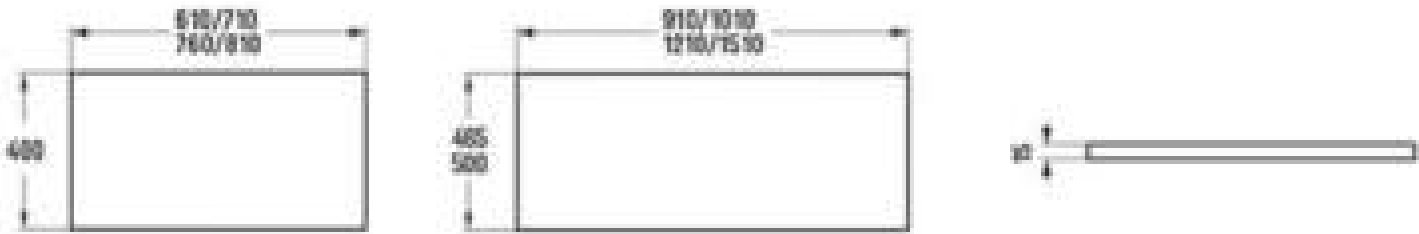

YOUR HOME

Comfortable living experiences determine the quality of life. Our goal is to bring the bathrooms as your personal relaxing paradise and to fill your everyday life with passion!

A good quality of life depends on comfortable living experiences. We hope that bathroom will give you a break in your daily life, and make your overall bathroom experience a time which you look forward to.

TOILET

SERIES

TIMELESS DESIGN

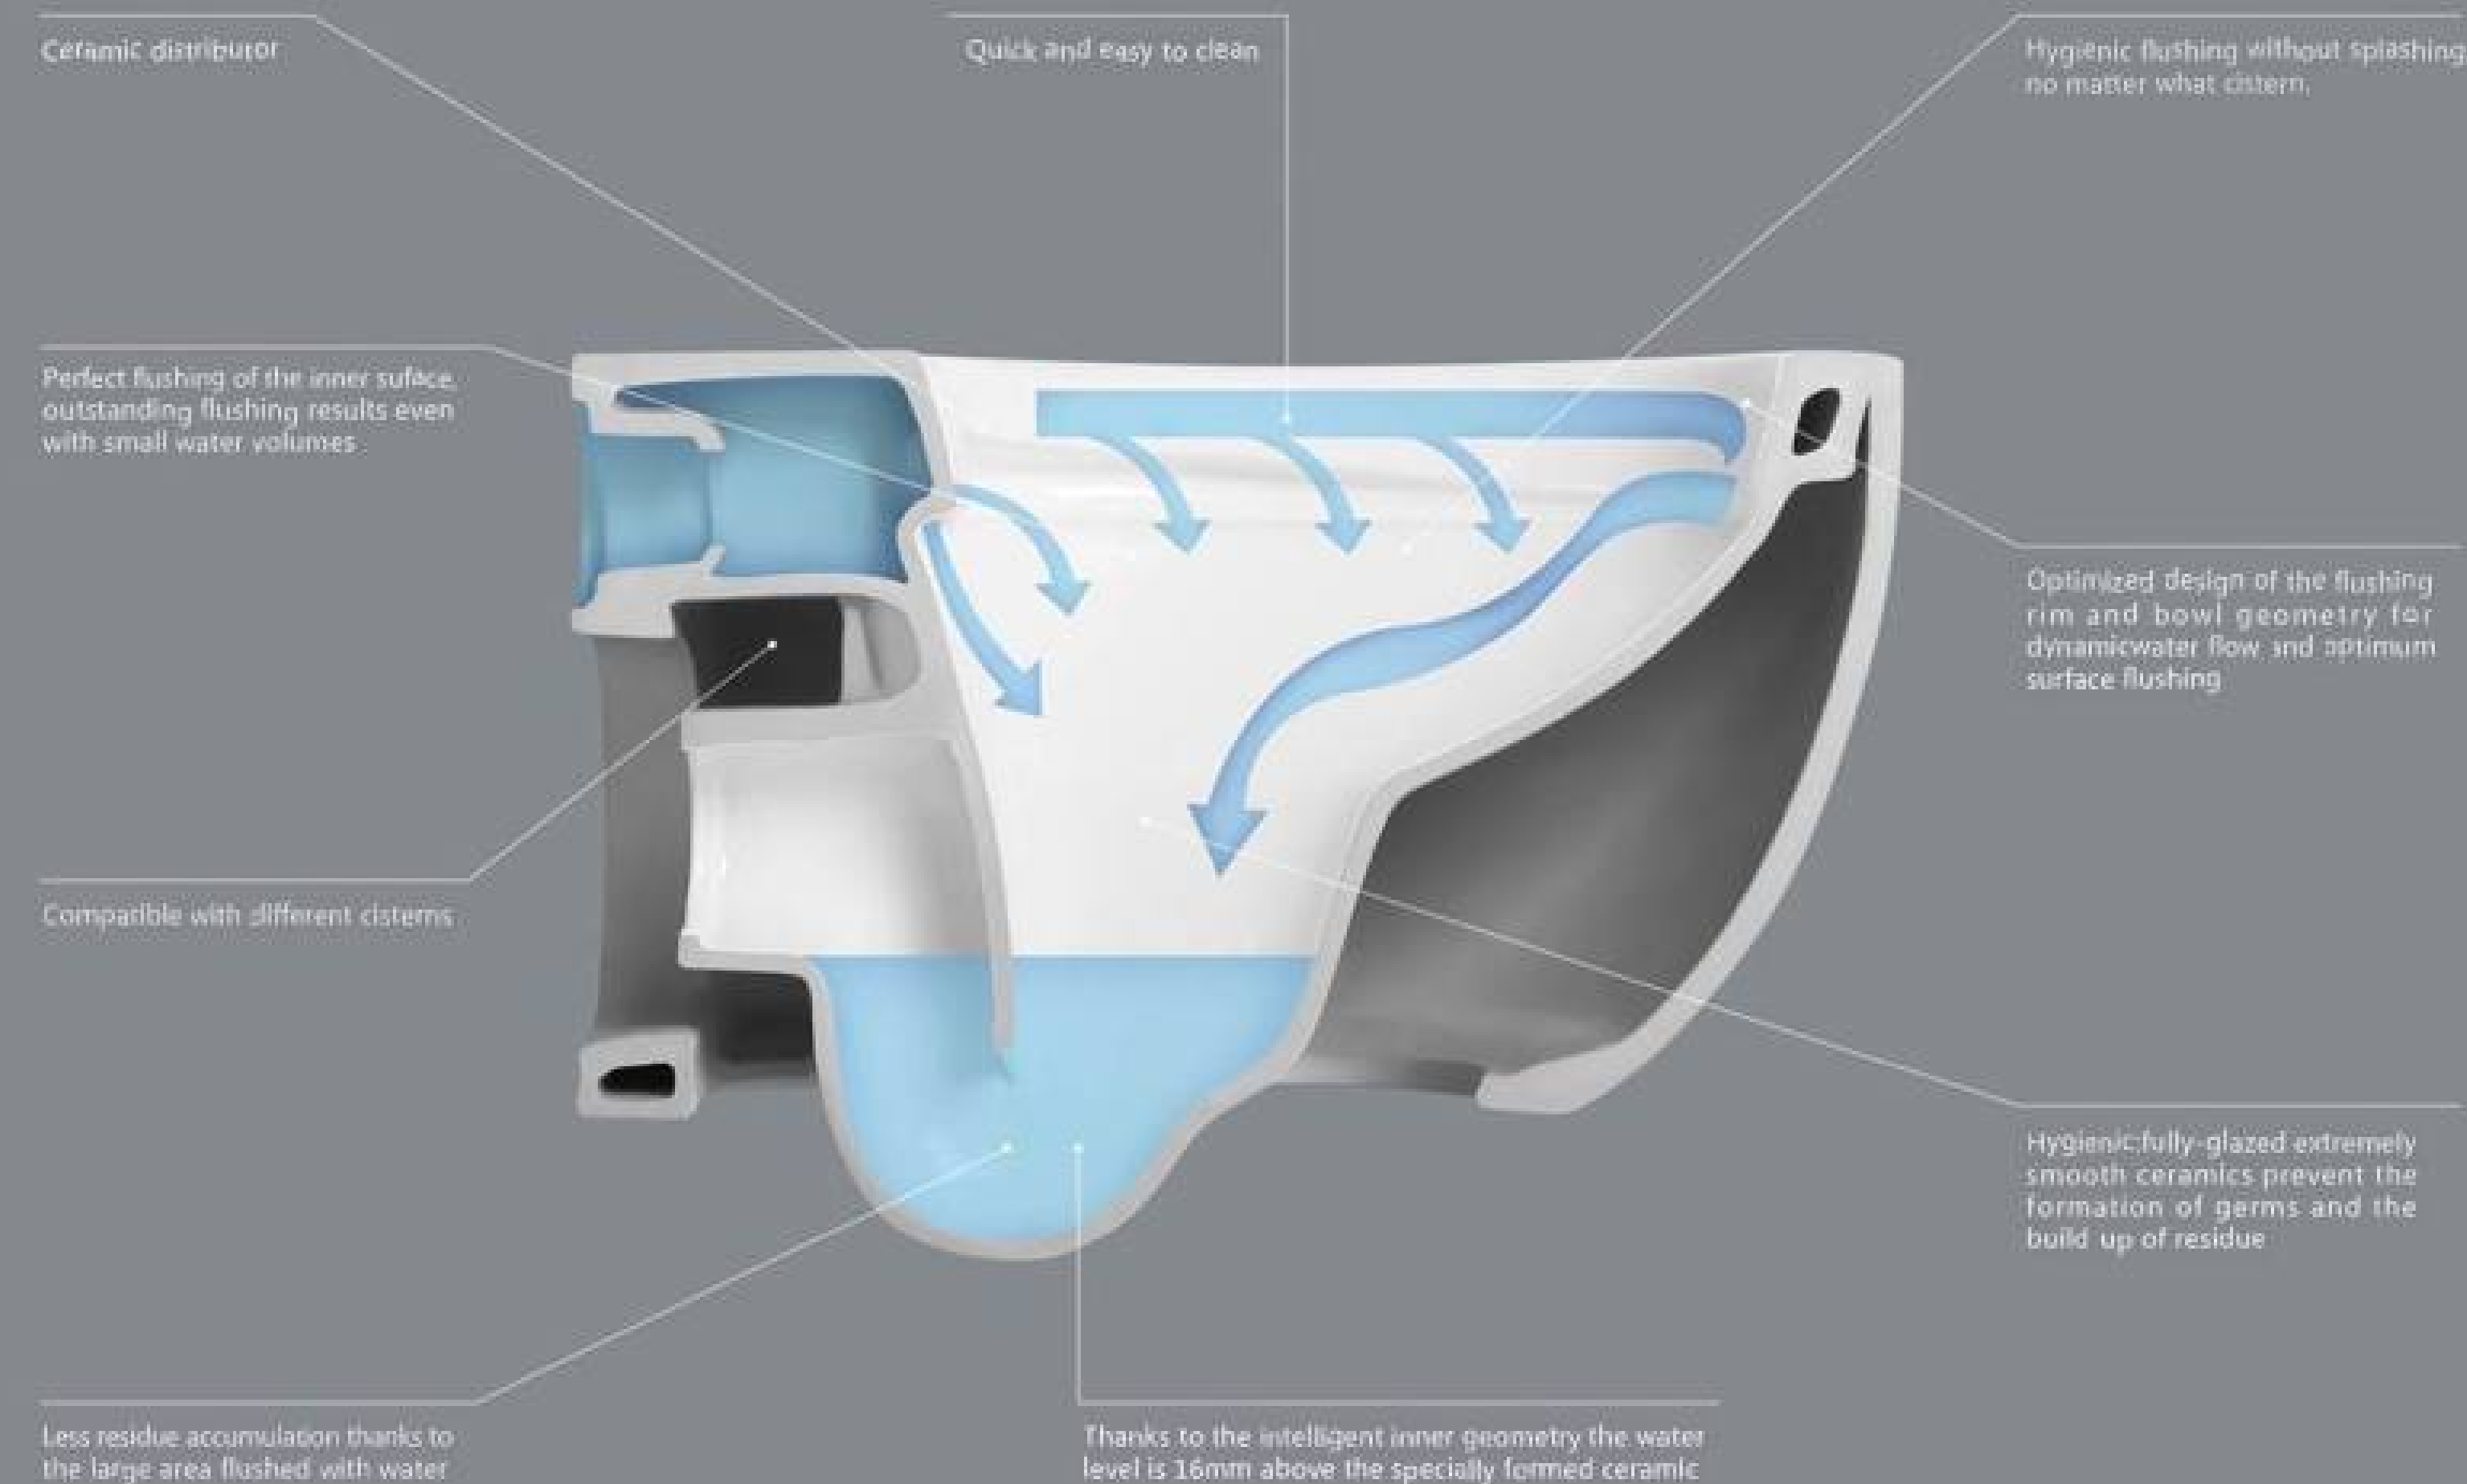

Try every means to perform evolution and display definiteness, feel happy life while you are enjoying what you have.

SANITARY WARE

Rimless

innovative flushing technology

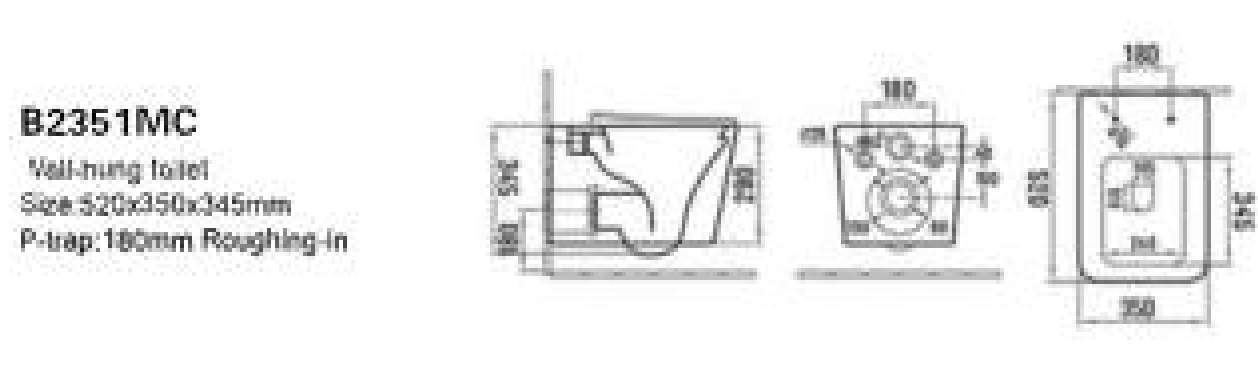

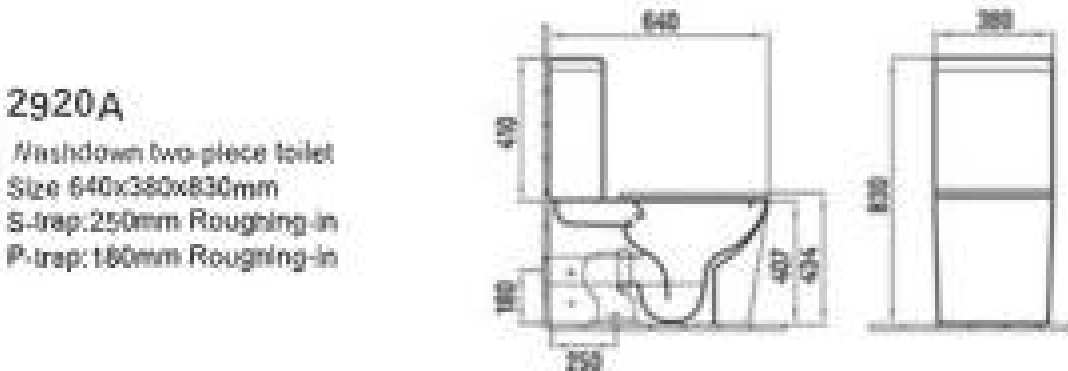

Glittering self-cleaning glaze

PATE glittering glaze has the crystal cleaning advantages, the first-class quality material, as well as the industry-leading formula fully ensures the high compactness of the glaze and the dearing crystallization. As dirt and water will not stain, the glaze is superior in the cleaning property, thus cleaning becomes easier.

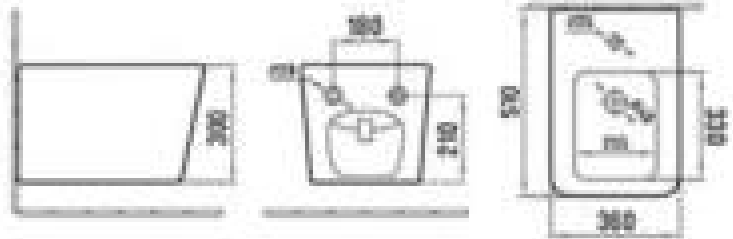

Large pipeline3S Flushing

The completely new 50mm large draining pipeline of Stratoz toilet enables dirt to easily pass through. Meanwhile, the pipeline glazing technology is used, which greatly improves the draining and flushing effects of the toilet, effectively solves many problems such as blocking, cracking, leakage.
